#### God Honoring

This family of believers is committed to serve the one true and living God. We know that putting something else in God's place is a universal human temptation. So our whole reason for existence is to "respect God and keep his commands."

#### Christ Centered

We believe that God has uniquely disclosed himself to us in the life of Jesus Christ. Through Christ, we can see God. We believe that we can come confidently into relationship with God because of what Jesus does for us.

#### Spirit Filled

We believe that the living God still acts in his church by the power of his Holy Spirit. God, present with us in the Spirit, develops our Christian growth and empowers us for service in the world.

#### Bible Guided

We accept the Bible alone as our guide for personal and congregational life. In worship and ministry, we always try to stand under the Word, following its directions as faithfully as we can.

# God is Able...

## GOD AT WORK

God is *always* doing something before I know it. So the task is not to get God to do something I think needs to be done, but to become aware of what God is doing so I can respond, participate, and take delight in it.
